18,000 sq ft of fully refurbished warehouse offices

SODA

London SE1

Refreshed & redefined

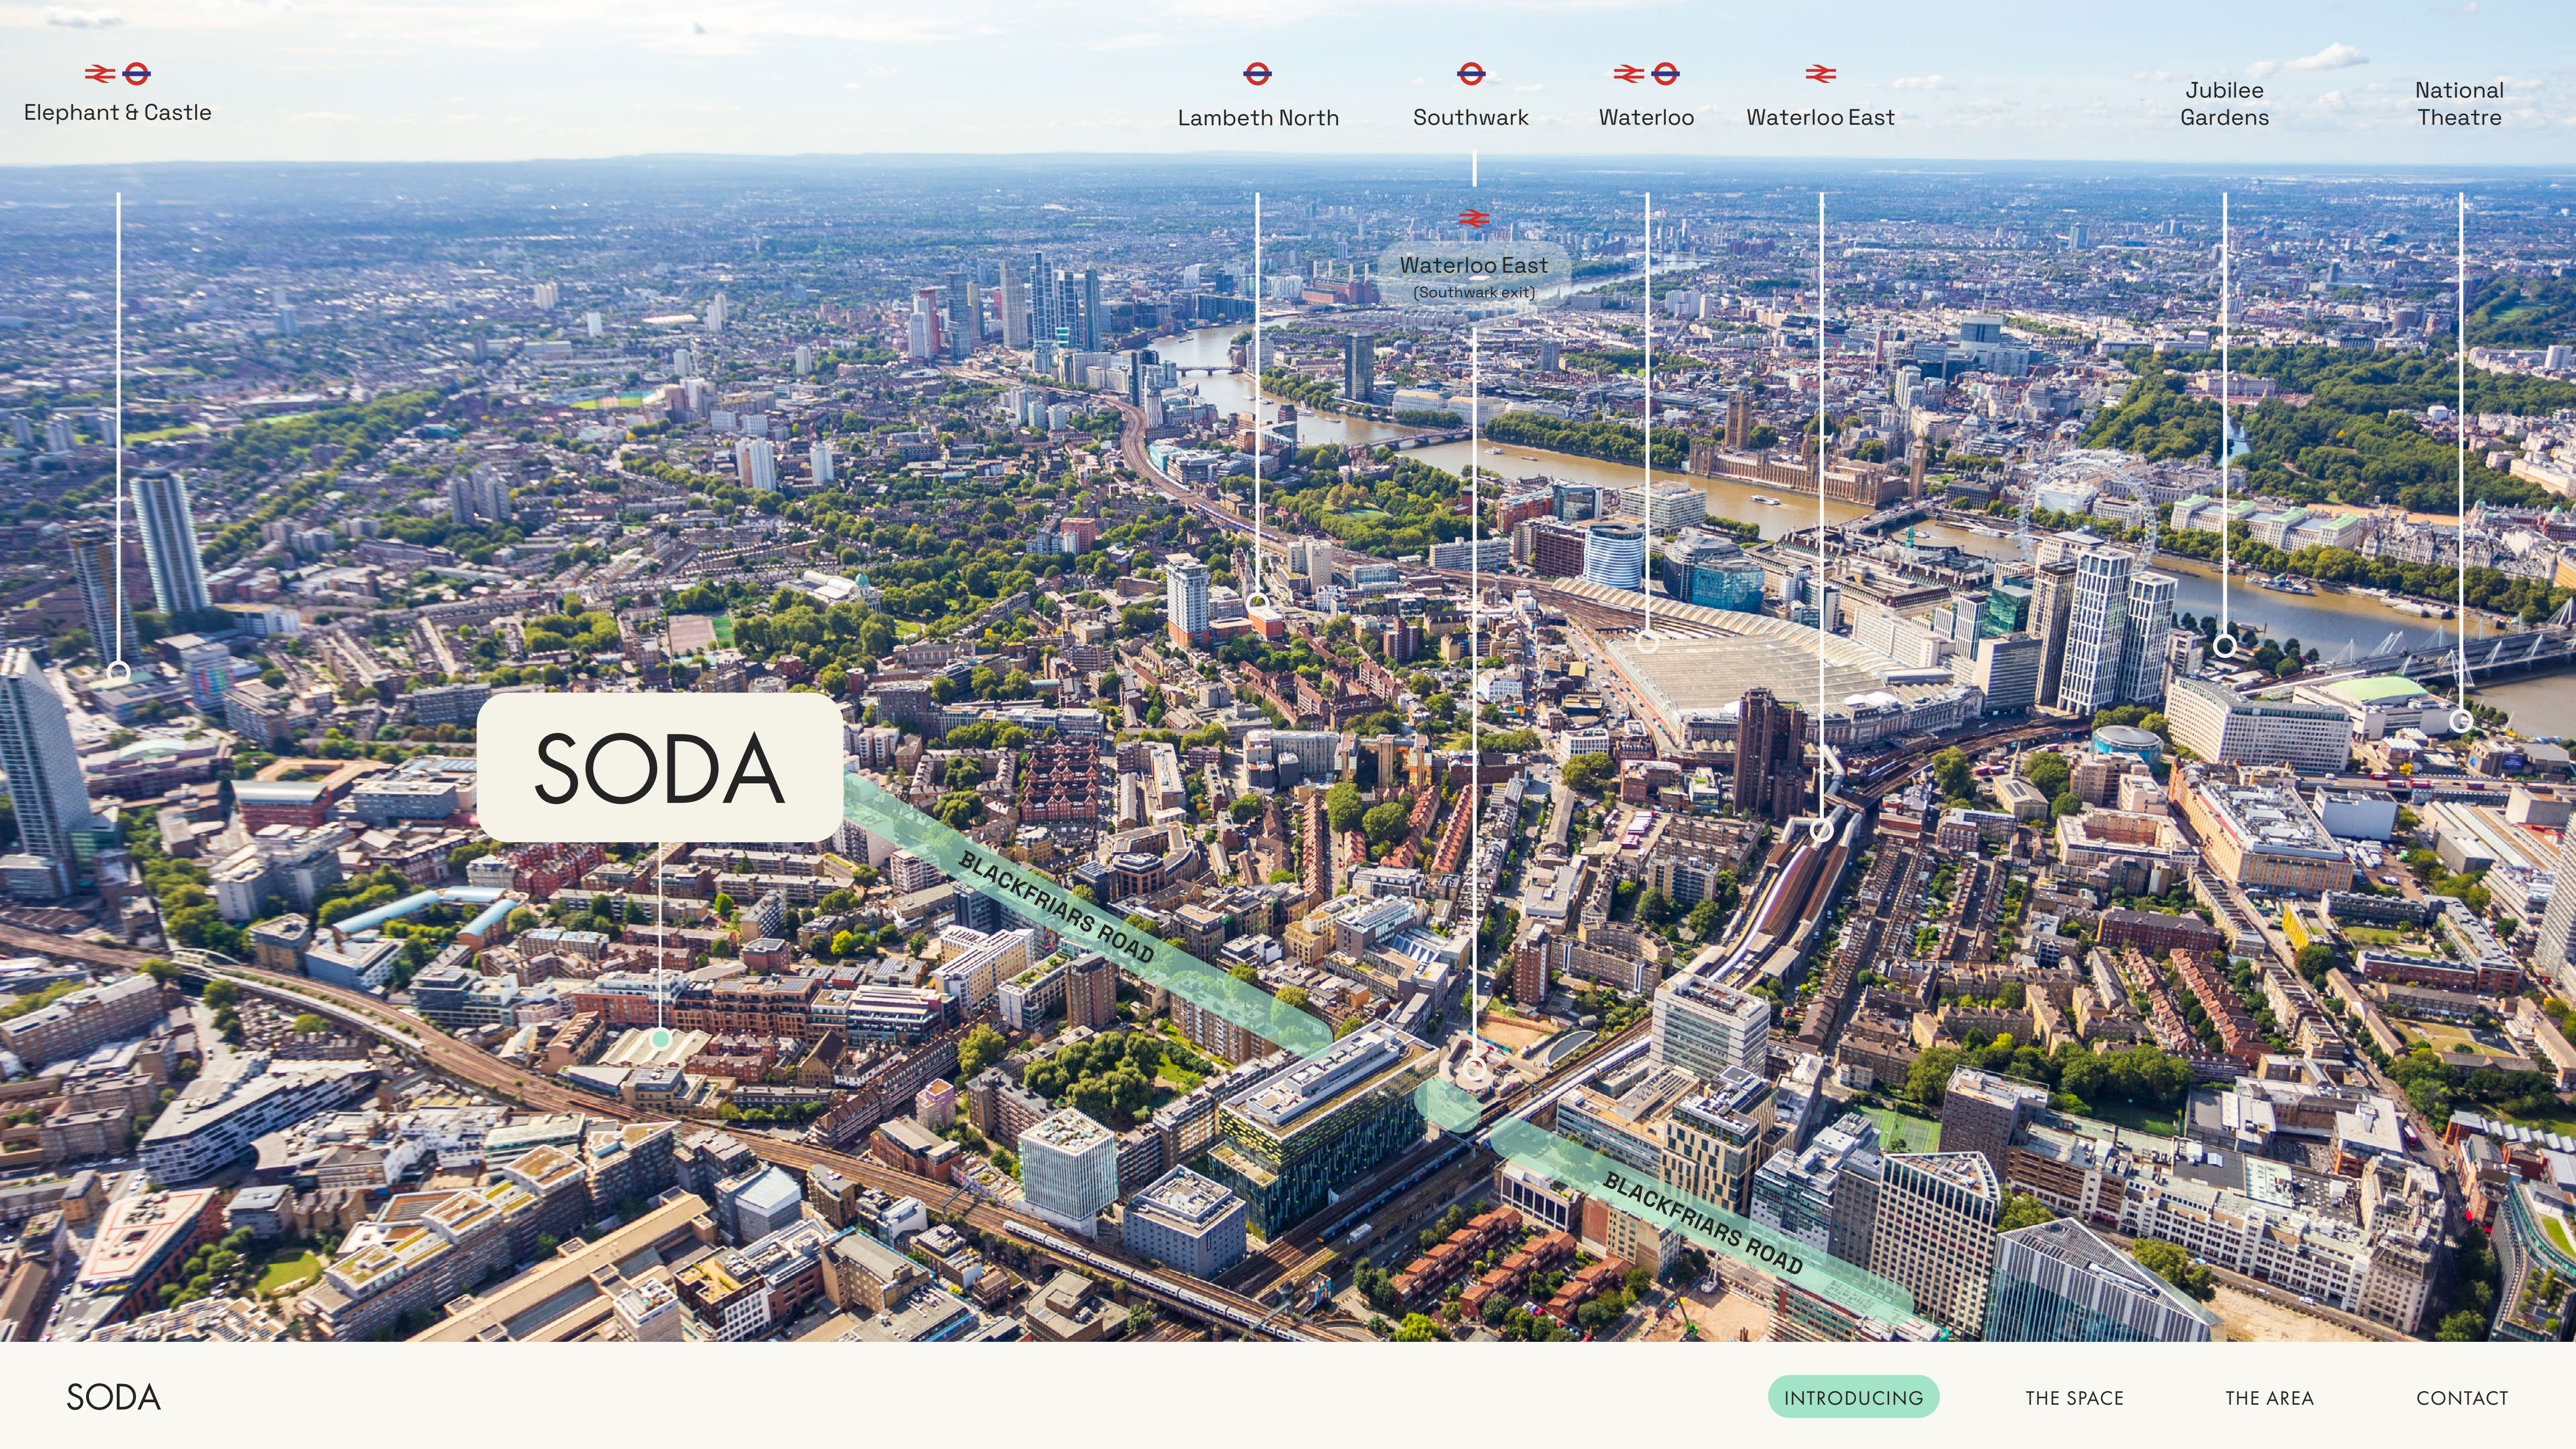

A characterful facade, SODA has thoughtfully preserved its heritage by restoring many building features.

SODA has been transformed, now offering 18,000 sq ft of creative warehouse space in the heart of Southwark. Two spacious floors and a serene roof terrace, it blends industrial charm with contemporary design to provide the perfect working environment.

A building with fizz from the very beginning; SODA was once home to Quinette Ltd Soft Drinks & Kia-Ora Ltd (1940) alongside Cola Bottling Co and Schweppes (1970).

Having undergone an extensive refurbishment, it now provides a striking new arrival experience, excellent end-of-trip facilities, two modern CAT A floors and a roof terrace.
